

Preschool Bible Study

Tabernacle offers all preschoolers, birth through kindergarten, Sunday morning Bible Study classes that are closely structured by age with a low teacher/child ratio. We teach biblical truths to preschoolers on their individual levels of development using a hands-on approach. Preschoolers learn by doing-building, painting, cooking, tasting, exploring, and playing as they learn biblical truths. Listed below are the classes offered, as well as their location and leaders.

Preschool Division Director: Janice Cooke

Preschool Division Greeter: Danna Sears
